Internationales Bildungsforum Spielmarkt Potsdam 15. and 16. May 2020

Invitation for exhibitors

We are pleased to invite you to the Internationales Bildungsforum Spielmarkt Potsdam in 2020.

As in previous years, there will also be a large exhibitor and trade fair area in the coming year where educational materials and work equipment can be offered.

It's your turn! – playfully supporting transformations is the theme of the Spielmarkt 2020.

A text on the theme and further information on the upcoming Spielmarkt can be found at www.spielmarkt-potsdam.de.

We cordially invite you as exhibitors. At the same time, we would like to ask you to pay special attention to the current theme at your stand, by creating references to it, as well as to clearly highlight new offers as far as possible.

Please take this concern into account when designing your stand!

We again expect more than 3,000 educational professionals, families and interested parties. For the coming year we have changed the time structure of the workshops. This is intended to stimulate the market area more continuously.

The space conditions: We have a large indoor showroom (market room) available. However, the space there is limited (stand size: 2.5 x 2.5m on average). Back walls can be provided to a limited extent, so it is also possible to set up outdoor stands, even with your own tents. The stand size can then be bigger, but the weather...?!

The **contribution** is **190,- €**, including the advertisement in the Spielmarkt journal, the stand fee and dinner on Friday. The contribution for non-profit associations, schools, projects and the like is 65,- Euro.

We are grateful for suggestions concerning the contents of the market and the Spielmarkt journal (games on the theme of the year, speakers, etc.).

The interest is great, so please register in time. Please complete the attached registration form and send it to us as soon as possible: info@spielmarkt-potsdam.de

Registration deadline for the upcoming Spielmarkt is 22. January 2020.

After the registration deadline you will receive a registration confirmation with further information and an invoice.

If you have any questions, please do not hesitate to contact Martin Lorenz (+49 172 32 29 64 3).

In the name of the Spielmarkt team greets cordially,

Martin Lorenz
